Up to 5 Hours Webmaster Per Month – As you need on your site

This is good for small to large websites needing a weekly touch to their website. Regular WordPress and Plugin Updates, bi-weekly content changes/additions, SEO Management

\$50/hour (\$25 discount from hourly rate for non-subscribers)

Platinum Plan- \$395/mo

Up to 10 Hours Webmaster Per Month – As you need on your site

This is good for small to large websites needing weekly touch to their website. Regular WordPress and Plugin Updates, weekly content changes/additions, SEO Management, Traffic Analytics and Optimization, and more.

\$39.50 /hour (\$35.50 discount from hourly rate for non-subscribers)

Typical work includes updates to your CMS (content management system), it's plugins and components, as well as general maintenance to keep your site up to speed. The tasks, though, are chosen by you. Hours may transfer over/accumulate (up to 40 hours).

*If monthly services exceed hours in package, client will be charged for time at the hourly rate of the selected plan.
